The 12 active herbal ingredients in are well known for their internal cleansing effects on the human digestive system.

## "Do I need to take Vitaklenz?"

"I find parasites in 92% of people. Everybody - rich and poor - the whole population have parasites . . . Pets are great carriers of parasites. Also, vegetables may carry parasitic organisms." Dr. William Kelly, famous cancer specialist. "One of every four people in the world is infected with roundworms, which cause fever, cough and intestinal problems. A quarter of the world's people have hookworms, which can cause anemia and abdominal pain. Another third of a billion people suffer from abdominal pain and diarrhea caused by whipworms." The Miami Herald, June 25 1978. Is your home environment any different?
